

Trent H. Smith

VFX PRODUCER • VFX SUPERVISOR • VFX VENDOR • CONSULTANT

OBJECTIVE

Building visuals, shaping ideas, and crafting story moments that feel real, purposeful, and emotional. As a VFX Producer, Supervisor, and Vendor— a trifecta of digital creation— I unite creative vision, technical precision, and production experience to deliver world-class visual storytelling.

TASK:

VFX PRODUCER/ SUPERVISOR -PRODUCTION SIDE-

Oversees all stages of visual effects production, uniting page to screen. Works closely with show producers, studio executives, and all production departments to manage budgeting, scheduling, on-set supervision, editorial, and vendor oversight—coordinating artistry and logistics to ensure creative alignment and seamless delivery.

VFX VENDOR – OWNER / OPERATOR -DIGITALSMITH COLLECTIVE -

Serves as an external VFX vendor, providing full-sequence design, supervision, and shot delivery in partnership with production and post teams. Manages creative and logistical coordination across multiple vendors and complex episodic workloads, ensuring on-time, on-budget, visually cohesive results.
